## MEDICAL EXCLUSIONS

---

It is recommended that you review your COC for an exact description of the services and supplies that are covered, those which are excluded or limited, and other terms and conditions of coverage.

### Alternative Treatments

Aromatherapy; hypnotism; rolfing; art therapy, music therapy, dance therapy, horseback therapy; and other forms of alternative treatment as defined by the National Center for Complementary and Alternative Medicine (NCCAM) of the National Institutes of Health. This exclusion does not apply to Manipulative Treatment and non-manipulative osteopathic care or to Acupuncture/ Acupressure Services or to massage therapy for which Benefits are provided as described in Section 1 of the COC.

### Dental

Dental care (which includes dental X-rays, supplies and appliances and all associated expenses, including hospitalizations and anesthesia). This exclusion does not apply to accident-related dental services for which Benefits are provided as described under Dental Services – Accident Only in Section 1 of the COC or to anesthesia for which Benefits are provided as described under Dental Anesthesia in Section 1 of the COC. This exclusion does not apply to dental care (oral examination, X-rays, extractions and non-surgical elimination of oral infection) required for the direct treatment of a medical condition for which Benefits are available under the Policy, limited to: Transplant preparation; prior to initiation of immunosuppressive drugs; the direct treatment of acute traumatic injury, cancer or cleft palate. Dental care that is required to treat the effects of a medical condition, but that is not necessary to directly treat the medical condition, is excluded. Examples include treatment of dental caries resulting from dry mouth after radiation treatment or as a result of medication. Endodontics, periodontal surgery and restorative treatment are excluded. Preventive care, diagnosis, treatment of or related to the teeth, jawbones or gums. Examples include: extraction, restoration, and replacement of teeth; medical or surgical treatment of dental conditions; and services to improve dental clinical outcomes. This exclusion does not apply to accidental-related dental services for which Benefits are provided as described under Dental Services – Accidental Only in Section 1 of the COC. Dental implants, bone grafts and other implant-related procedures. This exclusion does not apply to accident-related dental services for which Benefits are provided as described under Dental Services – Accident Only in Section 1 of the COC. Dental braces (orthodontics).

### Devices, Appliances and Prosthetics

Devices used specifically as safety items or to affect performance in sports-related activities. Orthotic appliances that straighten or re-shape a body part. Examples include foot orthotics, cranial banding and some types of braces, including over-the-counter orthotic braces. The following items are excluded, even if prescribed by a Physician: blood pressure cuff/monitor; enuresis alarm; non-wearable external defibrillator; trusses and ultrasonic nebulizers. Devices and computers to assist in communication and speech except for speech generating devices and tracheo-esophageal voice devices for which Benefits are provided as described under Durable Medical Equipment in Section 1 of the COC. Oral appliances for snoring. Repairs to prosthetic devices due to misuse, malicious damage or gross neglect. Replacement of prosthetic devices due to misuse, malicious damage or gross neglect or to replace lost or stolen items.

### Drugs

Prescription drug products for outpatient use that are filled by a prescription order or refill. Self-injectable medications. This exclusion does not apply to medications which, due to their characteristics (as determined by us), must typically be administered or directly supervised by a qualified provider or licensed/certified health professional in an outpatient setting. This exclusion also does not apply to insulin for which Benefits are provided as described under Diabetes Services in Section 1 of the COC. Non-injectable medications given in a Physician's office. This exclusion does not apply to non-injectable medications that are required in an Emergency and consumed in the Physician's office. Over-the-counter drugs and treatments. Growth hormone therapy.

## MEDICAL EXCLUSIONS CONTINUED

### Experimental, Investigational or Unproven Services

Experimental or Investigational and Unproven Services and all services related to Experimental or Investigational and Unproven services are excluded. The fact that an Experimental or Investigational or Unproven Service, treatment, device or pharmacological regimen is the only available treatment for a particular condition will not result in Benefits if the procedure is considered to be Experimental or Investigational or Unproven in the treatment of that particular condition. This exclusion does not apply to prescription drugs which have not yet been approved by the Food and Drug Administration (FDA) for a particular indication if the prescribed drug has been recognized as safe and effective for treatment of a particular indication in one or more of the following:

- In one of the following standard reference compendia:
  - The American Hospital Formulary Service Drug Information.
  - The American Medical Association Drug Evaluation.
  - The United States Pharmacopoeia Drug Information.
  - Other authoritative compendia as identified from time to time by the Federal Secretary of Health and Human Services or the insurance commissioner.
- In the majority of relevant peer reviewed medical literature if not recognized in one of the standard reference compendia.
- By the Federal Secretary of Health and Human Services.

This exclusion also does not apply to Covered Health Services provided during a clinical trial for which Benefits are provided as described under Clinical Trials in Section 1 of the COC.

### Foot Care

Routine foot care. Examples include the cutting or removal of corns and calluses. This exclusion does not apply to preventive foot care for Covered Persons with diabetes for which Benefits are provided as described under Diabetes Services in Section 1 of the COC. Nail trimming, cutting, or debriding. Hygienic and preventive maintenance foot care. Examples include: cleaning and soaking the feet; applying skin creams in order to maintain skin tone. This exclusion does not apply to preventive foot care for Covered Persons who are at risk of neurological or vascular disease arising from diseases such as diabetes. Treatment of flat feet or subluxation of the foot. Shoes; shoe orthotics; shoe inserts and arch supports.

### Medical Supplies

Prescribed or non-prescribed medical supplies and disposable supplies. Examples include: elastic stockings, ace bandages, gauze and dressings, urinary catheters. This exclusion does not apply to:

- Disposable supplies necessary for the effective use of Durable Medical Equipment for which Benefits are provided as described under Durable Medical Equipment, Home Health Care and Hospice Care in Section 1 of the COC.
- Diabetic supplies for which Benefits are provided as described under Diabetes Services in Section 1 of COC.
- Ostomy supplies for which Benefits are provided as described under Ostomy Supplies in Section 1 of the COC.
- Medical supplies for which Benefits are provided as described under Diabetes Services and Home Health Care in Section 1 of the COC.

Tubing and masks, except when used with Durable Medical Equipment as described under Durable Medical Equipment, Home Health Care and Hospice Care in Section 1 of the COC.
